ID CARD USE

A person who displays a Disabled Parking Identification (ID) Card on their vehicle (except motorcycles and mopeds):

- ◆ Is exempt from any parking ordinance imposing time limits of one-half hour or more, but is otherwise subject to the laws relating to parking;
- ◆ Can park at a municipally-owned/leased lot without payment in **metered spaces** when the time limit is one-half hour or more;
- ◆ May park in spaces reserved for disabled persons marked by official traffic signs indicating the restriction. A parking space not displaying the official traffic sign is **NOT** an authorized disabled parking space;
- ◆ Upon request, a driver who is disabled may obtain fuel from a full-service pump at the same price as fuel from a self-service pump. This applies at locations where fuel is sold at retail from both full and self-service pumps. The retailer is not required to provide any other service that is not provided to customers who use a self-service pump.

IMPORTANT: When parking in spaces reserved for the physically disabled, **the disabled person must both enter and exit the vehicle.**

INFORMATION

Individuals with a permanent disability are issued a blue disabled parking ID card that **must be renewed every 4 years.**

NO FEE is required for issuance, renewal, or replacement, however, applications made at a local DMV Service Center which provides ID card service are subject to a \$3.00 counter service fee.

If you are a licensed driver, the Department will review your disability relating to your ability to exercise ordinary and reasonable control over a motor vehicle. **If the certifying health care specialist recommends a re-examination, you will be required to complete a knowledge, highway signs and road test to determine appropriate license restrictions.**

Parking ID cards are valid in all 50 states and Puerto Rico.

UNAUTHORIZED ID CARD USE

Any person who lends the Disabled Parking ID Card to someone who is not authorized by law to use it, may be fined up to \$200. The Department may cancel the Disabled Parking ID Card of any person who improperly uses it.

Operating a motor vehicle when the disabled parking identification card is left hanging from the rearview mirror is prohibited. Failure to remove the card when operating the vehicle creates an obstruction to a driver's clear view through the front windshield pursuant to section 346.88(3)(b), Wisconsin Statutes. Violators may be required to forfeit not less than \$20 nor more than \$100.

The Department may cancel a disabled parking ID card which was issued as a result of fraud or error.

RELEASE OF NONEXEMPT INFORMATION

The Wisconsin Department of Transportation uses the information on this form to issue disabled parking identification cards. Under open records laws, the Department must make nonexempt information available upon request. If you want your name withheld from mailing lists of 10 or more individuals, check yes; otherwise, check no.
